COLORADO
TRUST**

A Health Equity Foundation

POSITION DESCRIPTION

POSITION TITLE: Regional Administrative Assistant – Rifle
DEPARTMENT: Community Partnerships & Grants
REPORTS TO: Community Partner, Region 5 (northwest Colorado)
 Part-time hourly, non-exempt

The Colorado Trust

The Colorado Trust (The Trust) is a health equity foundation dedicated to ending inequalities that affect racial, ethnic, low-income and other vulnerable populations. When the nonprofit PSL Healthcare Corporation was sold to a for-profit organization in 1985, the proceeds of the sale were used to create The Trust. Since then, The Trust has worked closely with communities and nonprofit organizations throughout the state to improve the health and well-being of Coloradans.

The Trust strives to maintain a diverse workforce that reflects the communities we serve.

About the Community Partnerships strategy

The Trust strives to support communities in their ability to organize groups and individuals to promote and address health equity. Our goal is to encourage and strengthen resident- and community-led solutions and funding initiatives. In partnership with communities, The Trust will fund a range of innovative, local solutions that advance health equity. Such funding initiatives could focus on anything and everything that can impact the health of a community, such as transportation, housing, education, employment, the natural environment, public safety and much more. All of these issues—known as social determinants of health—have been shown to affect health and quality of life. Most important of all: any such ideas to improve health equity in a community will be determined by community residents themselves—not by The Trust, nor a nonprofit, nor an elected official. Our goal is to simply partner with and encourage communities on this journey. [Click here to learn more.](#)
