COMMUNITY RESILIENCE INITIATIVES BUILDING FOOD SYSTEMS

GOAL:

The Colorado Trust is seeking to increase access to nutritious and affordable food for those who face barriers to living a long and healthy life. The purpose of this initiative is to fund entities that provide assistance and supportive services for people experiencing food insecurity, and that seek to improve systems that address food inequities. With this initiative, The Colorado Trust aims to achieve its goals in the focus area of food, as outlined in The Trust's 2024-26 Strategic Plan.

OBJECTIVES:

1
Increase access to
nutritious food

2
Increase economic stability for
those experiencing
food insecurity

3
Promote
healthy eating
